Emergency Public Meeting on the Problems Confronting Har Hazeitim Cemetery

Har Hazeitim. THE resting place of the Jewish People where three Prophets, a Prime Minister, a Nobel Prize recipient, countless legends from throughout Jewish history and tens of thousands of Jews are buried. Har Hazeitim is under constant threat — rampant grave desecrations, violence directed at visitors, widespread neglect, the illegal expansion of a mosque situated mere meters from the graves of Prime Minister Menachem Begin and Eliezer Ben-Yehuda.

The worst course of action... is inaction.

With the sole aim of restoring the oldest and largest Jewish cemetery in the world to its deserved stature, the International Committee for the Preservation of Har Hazeitim is convening an emergency public forum dedicated to the Mount of Olives.
